Melissa,

Attached are materials that OW prepared for the meeting scheduled for **Monday, 6/14, at 1 pm** on steam electric. The first is the paper you've already seen containing an analysis of FGD wastewater. The second is an agenda for the meeting, and the third contains some additional discussion of a stacked option for the 2020 rule and a possibly more stringent, forthcoming rule.

Please let me know if you have any questions.
